**Re: Griscom Square
Annapolis, MD 21403**

Enclosed please find the revised Forest Stand Delineation plan for Griscom Square. The Forest Stand Delineation has been revised to address the City of Annapolis, Department of Neighborhood and Environmental Programs comments. The following is a point-by-point response to Dept. of Neighborhood and Environmental Programs comment letter dated November 5, 2014:

- 1) Per Section 2.1 page 2-2 of the State Forest Conservation Technical Manual, Third edition 1997, an Intermediate FSD has been provided. A Forest Conservation Plan worksheet has been completed and is located on sheet 2 of the FSD plans.
- 2) The entire development site is shown on Sheet 1 of the FSD plans and a list of all trees on Sheet 2
- 3) Per a phone conversation with Mr. Frank Biba on December 17, 2014 an Intermediate Forest Stand Delineation has been provided. Not all trees 24" or greater are shown on the plan however a more descriptive delineation of the site was provided showing specific regions of Forest, Misc. Trees, Underbrush and Lawn. An Intermediate Forest Stand Delineation Narrative has been provided on Sheet 2 of the FSD plan. Due to the removal of Specimen Trees and Trees which are 75% of the diameter of the current State Champion tree a letter requesting a variance has been included.

If you have any questions concerning this submittal, please contact us at your convenience.

Sincerely,
DRUM, LOYKA & ASSOCIATES, LLC
